CUTTING PERFORMANCE REDEFINED

Developed from the UK's number 1 cable cutter,
C.K. extends the range with 5 products that
enhance cutting performance and durability.

PREMIUM JAPANESE ALLOY STEEL BLADES

Designed for maximum sharpness,
hardness, wear resistance and edge
stability under repeated load.

Designed for professional
installers – C.K. heritage
combined with advanced
blade material technology.

VDE cable cutter version(s)
with the very latest ergonomic
handles - complete with
integrated lanyard fixing
points for working at height.
Safety without compromise.
