CombiCutter 3
Max 180mm
T39083A 180 >>

The CombiCutter3Max is built to strip, cut and crimp without slowing you down. Designed for everyday electrical work, it brings the three jobs you reach for most into one solid, reliable tool – reducing kit, saving time and keeping the job moving.

Precision cutting edges deliver clean, controlled cuts across copper and aluminium conductors, while the stripping function removes insulation quickly without damaging the core.

RATCHET CRIMPING PLIERS

Guaranteed Compression Power

Factory-set crimping force ensures consistent, repeatable terminations — eliminating guesswork and delivering a perfect crimp every time.

Controlled Ratchet Mechanism

Auto-stop ratchet system releases only when the correct pressure is achieved, ensuring accurate and reliable crimping on every cycle.

Precision Engineered Dies

High-accuracy dies deliver clean, uniform crimps for secure electrical connections you can trust.

Hardened Carbon Steel Construction

Fully hardened alloy steel dies provide exceptional strength, wear resistance, and long service life in demanding environments.

Proven Durability

Heavy-duty construction tested to and guaranteed for 40,000 cycles — built for long-term professional use.

Ergonomic Comfort in Use

Dual-component handles designed for grip, control and reduced fatigue during repetitive crimping tasks.
